Dear Customers:

We have just concluded regularly scheduled training seminars in “MSPB II,” “Issues in Arbitration,” “Grievance Review in Preparation for Arbitration,” and “Winning Techniques in Arbitration.”

Currently, we are working in coordination with American Federation of Government Employees, AFL-CIO (AFGE) District Offices to provide various training classes for their Locals.

If your Local union needs on-site mentoring or consulting in any particular subject, such as:

- How to Run an Effective Local
- Officer Training
- Team Building
- How to Set Up your Local’s Books and Files

Please Contact Us! We will be happy to assist you in specialized training sessions that are customized to meet your particular needs.

Call us at 609-893-0513.

Thank you,

Rita R. Mason
